SECRETARÍA DE FINANZAS, INVERSIÓN Y ADMINISTRACIÓN

Juan Ignacio Martín Solís, Secretario de Finanzas, Inversión y Administración, en ejercicio de las facultades que me confieren los Artículos 80 y 100 de la Constitución Política para el Estado de Guanajuato; 3, 13, fracción II, 17, 18 y 24, fracciones II inciso a) y IX de la Ley Orgánica del Poder Ejecutivo para el Estado de Guanajuato; 1, 2, fracción I, 4 y 5, fracción IV, del Reglamento Interior de la Secretaría de Finanzas, Inversión y Administración; con fundamento en lo dispuesto por los Artículos 2, último párrafo, 5, segundo párrafo, 7 y 56 último párrafo del Código Fiscal para el Estado de Guanajuato; y

Considerando

Que de conformidad con el segundo párrafo del Artículo 5 y último párrafo del Artículo 56 del Código Fiscal para el Estado de Guanajuato, la Secretaría de Finanzas, Inversión y Administración podrá dictar disposiciones de carácter general, con objeto de simplificar las obligaciones de los contribuyentes, de facilitar la recaudación de los ingresos, y de hacer más efectivos y prácticos los sistemas de control fiscal.

Que con fundamento en las disposiciones del Código Fiscal para el Estado de Guanajuato, Ley de Hacienda para el Estado de Guanajuato, Ley de Tránsito y Transporte del Estado de Guanajuato, Ley de Ingresos para el Estado de Guanajuato para el Ejercicio Fiscal de 2014 y Convenio de Colaboración Administrativa en Materia Fiscal Federal, se torna necesario complementar el marco jurídico administrativo bajo el cual los contribuyentes, en los términos de la legislación fiscal de nuestra Entidad Federativa, deberán cumplir con sus obligaciones fiscales, por una parte, y hacer valer sus derechos, por la otra, fortaleciendo así las bases de la administración tributaria en materia de impuestos estatales y federales coordinados.

El Plan Estatal de Desarrollo 2035, señala en su estrategia denominada "Administración Pública y el Estado de derecho", a las Finanzas Públicas, cuyo objetivo consiste en optimizar el aprovechamiento de los recursos públicos, incrementando la eficiencia, eficacia y equidad en la recaudación de ingresos públicos y garantizando la eficacia del gasto público bajo criterios de legalidad y transparencia.

Es así, que a efecto de consolidar la cultura de cumplimiento de las obligaciones tributarias, se debe generar conciencia en la sociedad acerca de su importancia y trascendencia en la búsqueda del bienestar común y asegurar el conocimiento de la población sobre las políticas tributarias vigentes y el uso final de los recursos públicos.

Asimismo, en el Programa de Gobierno 2012-2018, se ha considerado necesario definir como Eje transversal de Buen Gobierno a la transformación radical de la orientación, capacidad y velocidad de respuesta de la Administración Pública Estatal, con el fin de recuperar la confianza ciudadana.

En este sentido, al formar parte esta Secretaría de un Gobierno con rostro humano y sentido social, le resulta ineludible brindar seguridad y certeza jurídica, fomentando la cultura de legalidad y simplificando los trámites para el cumplimiento de obligaciones fiscales a las personas que obtienen de Guanajuato su fuente de Ingresos. Es así que, de conformidad con las facultades que el marco normativo en la materia me concede, he tenido a bien emitir la siguiente:
